FOREWORD

Seagraves has long been noted for its excellence and even its dominance in a varied field of events and activities. Involvement is the keyword for S.H.S. and the ingredient which makes this formula for excellence. Tradition and past records demand that "winning truly be a way of life" at S.H.S.

Our school days not only increase our knowledge, but are the builders of many attitudes. They are preparations for what we will do in the future, and a major influence on how we will attain our goals.

We must all leave these days behind us and pursue other dimensions, and horizons. However, it is the purpose of the 1971 Talon to record the memories of a major portion of our lives, with stress placed upon the individual, whose spirit, pride, and willingness to become involved have been the true foundations of our school.

So to live that when the sun
Of our exixtence sinks in night
Memories sweet of mercies done
May shrine our names in memories
light,
And the blest seeds we scatter bloom
A hundred-fold in days to come.

Sir John Bowring

Dedication

Durwood Curtis is a man very dear to S.H.S. Besides being part of this school system for five and a half years, he has been very active in the community as a whole and his church as well. He is dedicated to these things and the people they encompass. Durwood stands high in the eyes of students and faculty alike for his unmatched service. His warm smile, gracious attitude and outstanding willingness to help others are some visible characteristics of this really special man. These are the qualities we note, and to Durwood Curtis, dedicate the 1971 Talon.

"Honorable age is not that which standeth in length of days, nor that is measured by number of years. Having fulfilled his course in a short time, he fulfilled long years.----Solomon

Through his quick laugh, friendly hello, and dedication to all activities of our school Jim Belcher did fulfill his course. He made a contribution to all of us because he was himself. A fine Christian youth; a courteous and polite student; a friend to everyone--these things characterized Jim and helped to fulfill our lives as well.

Time will only strengthen the legacy he left us. The joy he brought to so many lives can never be forgotten.

Dear Students:

The Seagraves Schools have only one product and that product is you. Your actions, your success, your failure determines the type school we have.

This school, your school is concerned with the development of people. We are involved in helping you to become the best of which you are capable of becoming. This, of course, is the real reason for schools. This, too, is in the best tradition of our American way of life.

Thomas Wolfe expressed our desires for our school and you when he wrote:

So then to every man his chance;
To every man, regardless of his birth,
His shining golden opportunity.
To every man his right to live, to work,
to be himself-
And to become whatever his manhood and his
vision can combine to make him.
This seeker, is the promise of America.

Sincerely,

Gerald W. Shelley

Who's Who '70-'71

A quick hello and a friendly smile rightly describes KENNY SMITH. He is a friend to everyone and is always willing to lend a helping hand. His enthusiasm and happy attitude will long be remembered at S.H.S.

DANNY TEAFF is a very determined individual. He tries to achieve the best he can in everything he does. He has excelled scholastically in many events, such as the UIL spelling. These traits and many more qualify Danny to be included in Who's Who.

KAY ELDER is one of the most school spirited students at S.H.S. Her leadership and willingness to work hard has made her a credit to Seagraves High. She stands out scholastically as well as socially. Kay is devoted to her school as well as her community.

MICHAEL BILLINGS is a truly unique person. His determination and intelligence has made him one of the most respected students at S.H.S. He is a high spirited student and his leadership and willingness to work will make his future promising.

PAM IVY bubbles over with school spirit. Among her many activities she has shown how much she cares for S.H.S. Her good sense of humor and easy going way of life has made Pam an asset to S.H.S.

NANCY DUNSON is a very talented young lady. She has worked hard to develop her abilities. Her alert sense of humor has made her friends to many. She does a good job at everything she sets out to do. Her dependability and enthusiasm makes her a student of which S.H.S. can be very proud.

Whenever there is a need for a leader, WAYNE MARTIN is the one for the job. His willingness to accept responsibility and determination to do a good job has made him successful in all fields. Wayne's jovial attitude and bright outlook has made him a favorite with faculty and students alike.

A true live-wire at S.H.S. is ALTA JO REASONOVER. She has many creative talents which have helped her and those around her. Her go-get-em attitude and friendly smile has endeared her to many. Alta's abilities and talents have made her successful in all she attempts.

I've had this jaw breaker since I was in the fourth grade.

Just One

This Tequila is GREAT!

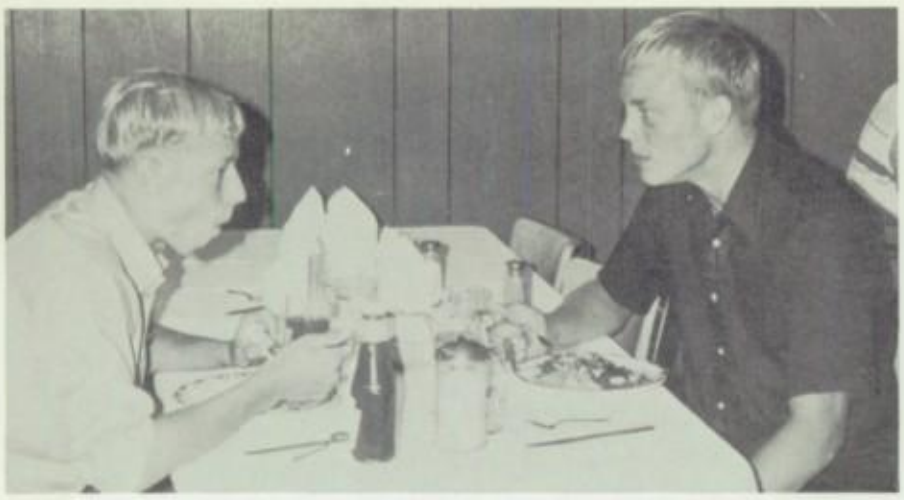
Stuff, Stuff, Stuff! When do we EAT???

FISH at work??

Another FIRST at S.H.S.

"And did you know . . .?"

1, 2, 3, altogether now!



I think I'm gonna be sick!

Hurry up and cut, I'm HUNGRY!

If birds can fly, so can I!!!

Ya never know what's creepin' up behind ya!

Always time for a picture.

All that work for NOTHING!!

Bite down on that and this won't hurt a bit!

Get out of there Mr. White!

To The Students of Seagraves:

Our United States is a country in a state of crisis. There are many organized groups that seem to be trying to destroy our form of government. The crisis is clear. The challenge is here. The youth of today, including you and me, can meet that challenge by improving the system that has provided so much for so many Americans--not by tearing it down.

We can meet the challenge by strengthening our government--not by dissolving it. We can do this by setting goals for ourselves and by following the Christian way of life.

This message from the Bible has a message for us all:

--"To everything there is a season,
and a time to every purpose....
--A time to be born--and a time to die.
--A time to weep--and a time to laugh
--A time to mourn--and a time to dance
--A time to keep silence--and a time to speak."

God Bless You all

GAS WILL POWER THE FUTURE

Imagine a small cabinet-size unit in your home that produces all the electricity you need. Well, such silent, efficient Gas fuel cells already exist and have proved themselves in actual operation. They are the same in principle as those now powering our spacecraft. Research is proving that the most economical way to produce energy is to convert piped Gas at the point of use. But that isn't surprising because Gas is almost pure energy.

You say that again and you'll have three eyes.

Thumb down four to go.

Now as I was saying.

We tried but we couldn't do it.

What's the next line?

Was that the dinner bell.

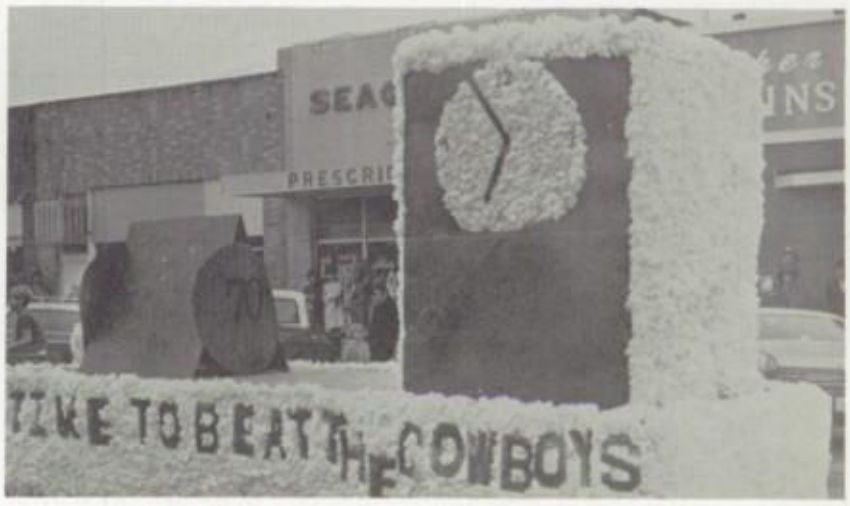
That fly is never botherin' me again.

All muscles and no brains.

Now this is the way it's going to be, okay!

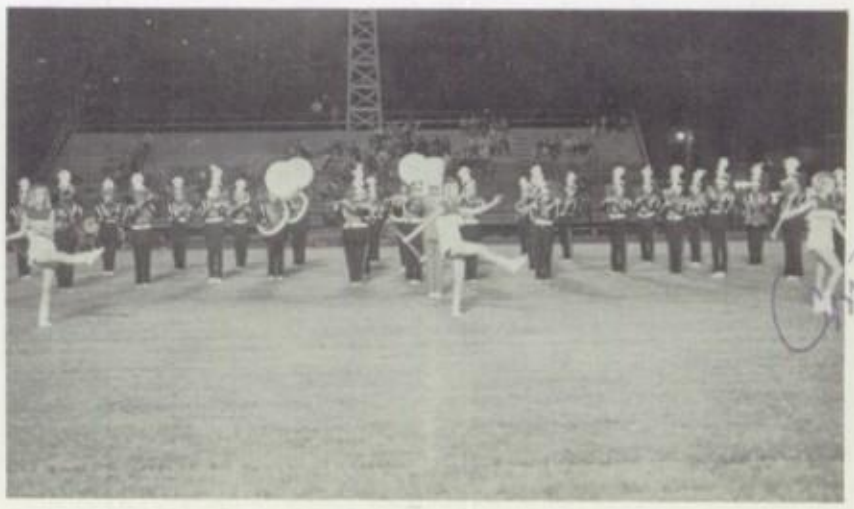
Careful, don't smear my rouge.

Wow! What a figure.



The "School Float".

Wet and wild.



Altogether now, 1-2-3.
